Notes for Ruthie Lucille FLAKE:

Mother to three sons, Ruth was a registered nurse for her entire working career. She met her husband at Celina TN, just out of nursing school and upon finding a job supporting the construction of the Dale Hollow Dam.

Ruth became interested in family genealogy later in life. Since many family members lived nearby, she was able to make a good start in tracing our family lineage while many were still with us. She was the inspiration for the MastersFamily.us web site and the continuation of her efforts.
